Dated 16th July 1903.

Sir, 18

I have the honor to state that, in anticipation of sanction of Government, a Neo Cyclostyle Machine at a cost of ₹39/- has been purchased for the use of this office, as it had been found very badly wanting for printing several copies of circulars &c.

The cost of the machine in question has been paid from the saving of ₹98/12/- accrued out of the sum of ₹350/- provided in the Budget for the year 1902--03 to meet the contingencies of this office. I request therefore that you will be so good as to obtain formal sanction of Government for the same considering that the purchase of the machine has not involved any additional cost to Government.

Sir,

Your most obedient servant,

Dated 24th/25th July 1903.

Sir,

In reply to your docket No.204/J dated 23rd Instant, I have the honor to invite the favor of your attention to my letter No. 740 dated 16th Idem, from which it will be [redacted] observed that the Cyclostyle machine had been, in anticipation of sanction of Government, purchased during the last official year and that the cost thereof was met out of the savings accrued from the provision of Rs.350/- provided in the Budget for the year 1902-03 under the head "Office Contingencies" for this Office.

Under the circumstances, the pointing out of some provision in the current year's Budget to meet the cost of the machine in question, is, I consider unnecessary.
